

# CYCLONE DEVASTATES OMAHA; BELIEVED DEATH ROLL MAY YET REACH TWO HUNDRED

## 69 PEOPLE ARE KNOWN TO BE DEAD

Hundreds Are Injured, Many  
Fatally—Property Loss  
Swells to Millions

### SCENES OF SUFFERING; SOLDIERS PATROL CITY

Suburban Towns Wrecked or  
Destroyed—Nation Is  
Offering Aid

OMAHA, March 24.—With 96 known dead in Omaha, Council Bluffs and Ralston, Mayor Dahlman tonight reiterated that he believes two hundred people perished in the cyclone of last evening. Twenty-five are definitely known to be missing including two babies. The hospitals are filled with dead and dying. Every home in the city is open for the shelter of the homeless. Offers of aid are pouring in from every section of the country. Sections of the city's handiwork streets are a tangled waste of debris. Military and regular soldiers are patrolling the city. There is but little looting.

A special train bearing forty doctors and sixteen nurses arrived at 1:30 o'clock today. The doctors were divided into eight squads and sent to various hospitals.

The storm swept through a portion of the city lying directly north of the business section, cutting a swath of five miles long and varying in width from a block to five blocks wide.

**MAYOR DAHLMAN BELIEVES LIST OF DEAD WILL REACH 200**

OMAHA, March 24.—It was estimated by Governor Moorehead and Mayor Dahlman at 11 o'clock today that two hundred people are dead in Omaha alone, with \$10,000,000 damages. The mayor issued a proclamation asking that all citizens aid the homeless.

There had been at that time no communication with Gretna, Ashland, or Louisville, Neb., and it is feared all suffered from the cyclone.

**TERRIBLE GALE SWEEP CITY, LEAVING DEATH AND DAMAGE**

OMAHA, March 24.—Sixty-nine people are known to be dead, seven hundred injured, many of them fatally, and two thousand made homeless by a death-dealing cyclone sweeping the city and nearby sections at 6 o'clock last night. The property damage is estimated at \$2,000,000. Four are known to be dead at Ralston, a suburb of Omaha. It will be hours before the ruined section can be thoroughly explored and the exact death toll known. It is predicted the deaths will exceed two hundred.

Eight known dead are reported from Council Bluffs, with a score of people injured. The wires in eastern Nebraska are prostrated.

All the hospitals and undertaking establishments here are swamped. Soldiers of the regular army are patrolling the city to prevent looting. Governor Moorehead arrived today on a special train, and two specialists carrying doctors and nurses have left Des Moines, Iowa.

Hundreds watched the storm approach as it came from the southwest with a terrific roar. The cyclone swept through the city, twisting and razing buildings. Torrential rains following the terrific gale prevented the highway of fires that broke out. At daybreak a local committee of citizens was named to aid the soldiers and police in guarding the ruins. Rescue work proceeded rapidly and relief funds were at once started.

Undertaking parlors are crowded with sobbing women and men, searching for missing relatives. The Webster telephone exchange has been turned into a temporary hospital and morgue. All the 176 girls operators there, remained at their posts. Rev. Father Judge of the Sacred Heart Catholic church, remained at the exchange offering prayers for the dying. The Sacred Heart convent was razed but the girl students all miraculously escaped, and all aided in nursing the injured.

President Wilson's message of government aid, sent to Mayor Dahlman, was delivered by the United Press after it had been unable to reach Omaha over commercial wires.

## STORMS SWEEP MIDDLE WEST AND ARE RENEWED IN SOUTH; CALIFORNIA PROFFERS AID

CHICAGO, March 24.—Cyclones swept the Middle West from the western part of Nebraska across Iowa to the eastern line of Indiana with great disaster last evening, while Colorado suffered all of yesterday from a general blizzard and Kansas was swept by a storm of dust through the day. Omaha, Neb., suffered most severely of any section in the cyclone-swept districts.

Death, injuries to hundreds, wrecking of churches, schools and homes were added to by fires following the terrific tornado.

These terrible visitations of wind and gale seem to be the climax of the storms, three in number, visiting the Mississippi valley within the last ten days.

Today comes news of renewed storms in the south, although details are meager. The wires from Jacksonville, Florida, state that three were killed and twenty-two were injured in a cyclone sweeping Bonafay, Florida. Alabama is again storm-swept. All wires are down.

**MISSOURI VILLAGE OF 600 PEOPLE CYCLONE-SWEEPED**

DES MOINES, March 24.—Flag-springs, Mo., with a population of 600 people, is reported as cyclone-swept. Five dead bodies have been recovered. Many homes and churches were razed.

**CALIFORNIA CITIES WIRE OFFERS OF ASSISTANCE**

LOS ANGELES, March 24.—Mayor Alexander sent the following telegram to Mayor Dahlman of Omaha: "Word of the terrible calamity that has visited Omaha has reached us. We extend our deepest sympathy. Los Angeles is ready and anxious to do all in its power to aid. Inform me what we can do to relieve your urgent wants here."

The chamber of commerce today telegraphed the Omaha Chamber of Commerce an offer of aid.

**300 HOUSES WRECKED—20 KILLED, 150 INJURED AT TERRE HAUTE, IND.**

TERRE HAUTE, Ind., March 24.—Twenty people were killed and 150 injured, and 300 houses were wrecked in a cyclone occurring here last night. The villages of Perth and Prairieville were destroyed, with fatalities unknown.

At noon this city fed a thousand

Twelve minutes after Secretary Tumulty gave the message to the United Press the following reply was sent:

"I deeply appreciate your offer, but our people are responding nobly. We believe we can handle the situation. Major Hartmann and his men came promptly to our assistance. The people of Omaha express gratitude for your message of sympathy."

George Hammer, a nationally known merchant, died today as the result of injuries. Mrs. G. E. Medlock, about to give birth to a child, lay for four hours in an unroofed house. Her condition is critical.

A courier from the town of Yutan, near here, says the town was obliterated. Fifteen people are known to be dead, with fifty badly injured.

The convent of Poor Clares was demolished. Many children in its orphanage are missing, two being known to be dead. The sisters performed many heroic rescues. The handsome Idlewild Club, at Twenty-fourth and Lake streets, was wrecked and burned. Near its ruins a dog lay across its master's dead body, refusing to permit the police to remove the body until it was seized and dragged away.

Shortly after noon the United Press wire carried messages of sympathy and offers of aid from Governor Eberhardt of Minnesota, Mayors Hanna of Des Moines and Bading of Milwaukee.

One hundred thousand grief-stricken people swarmed through the six relief stations established by the city authorities. Detachments of soldiers systematically searched the ruins. It is expected the total death toll will be known by tomorrow night. The Union Pacific railroad has donated \$500 to the relief fund. Governor Clarke of Iowa and Gov. Ammons of Colorado telegraphed over the United Press wires offering aid. Headquarters of the Red Cross at Washington sent the following over the United Press wires: "If nurses are needed, take whatever action is necessary. Wire conditions and possible needs over United Press wires."

By noon the known dead had been

**PRESIDENT WILSON EARLY TELEGRAPHED AID MESSAGE**

WASHINGTON, March 24.—President Wilson early telegraphed Mayor Dahlman of Omaha, offering government aid in the appalling situation following the cyclone disaster of last night.

**MORE DEATHS REPORTED: SCORES OF TOWNS ISOLATED**

LINCOLN, Neb., March 24.—Seven are known to have been killed in a cyclone between here and Omaha. It is believed scores of towns now isolated on account of demoralized wires will report many additional deaths when communication has been restored. The entire eastern portion of the state is affected.

**Eight Dead at Berliana, Neb.**

Eight were killed in a cyclone at Berliana, fifty miles south of here, according to reports here. The town was razed. All wires are down.

## ANOTHER SANTA ANA YOUTH BREAKS INTO THE NATIONAL LEAGUE VIA THE WHITE SOX

"Tiny" Barker, the star baseball pitcher and football fullback of the Santa Ana High School, has signed with the famous Chicago White Sox and will join the club next Wednesday.

After a brief workout yesterday morning Jimmy Callahan of the Sox offered Barker a very liberal contract, which was accepted. It is understood that "Tiny" will receive \$1300 for his first season's work. "Tiny" is one of the greatest of many great athletes turned out by the local high school. For two years he has been the most talked of baseball and football man in the Southern California prep ranks.

"Stop Barker" was the football slogan of the high schools last fall. His work among the "big leaguers" will be closely watched by the Santa Ana fans.

A great deal of credit is being given Head Coach Ratcliffe of the high school for Barker's development. When "Tiny" first showed his eagerness to break into athletics, Ratcliffe was prompt in recognizing his possibilities, and he proceeded to give the big fellow all the opportunities that were good for him.

Barker is about 19 years old and has been engaged this winter driving for a local grocery company. His friends predict his success in professional baseball.

Vic Walker was manager-in-chief in getting the attention of the baseball men fixed on Barker. Dillon of Los Angeles was hot on Barker's trail when the Chicago White Sox man got him signed up.

## BOOSTERS WILL GATHER HERE WEDNESDAY

From All Parts of Orange County They Will Come to Meet and Dine

### ANNUAL DINNER OF ASSOCIATED WORKERS

Representative Business Men to Discuss Matters Relating to Upbuilding

Boosters of high degree and commanding confidence will assemble in Santa Ana from all parts of Orange county on next Wednesday night for the purpose of exchanging reports on the splendid prosperity that their respective localities are enjoying, and discussing ways and means for inviting the progressive men and women of other and less favored sections to come here and share in the bountiful advantages that nature has provided in fertility of soil, enchanting and picturesque scenery and the most equable climate to be found the world over.

Under the auspices of the Associated Chambers of Commerce of Orange County this assemblage will take place. All the invitations are out and the leading citizens of the county who form these civic organizations will attend. They will come from fifteen cities and towns of the county. They will bring their friends, for it is not exactly necessary to be a member of a chamber of commerce to be an Orange county booster. All good citizens will be welcome at the gathering, and at the dinner which will be served at 7 p. m. in Elks hall.

All those intending to be at the dinner are requested to notify Secretary J. C. Metzger of the Santa Ana Chamber of Commerce, who is also secretary of the Associated Chambers. He must know without delay so the caterer can be given ample notice in his preparations for the dinner. Members of any of the interested organizations are urged to have friends with them who may not be members, so that everybody will better appreciate the magnificent work that is being undertaken by the men who make up these civic bodies.

There is to be no formal speaking. If there are any special toasts offered they will have to be the result of spontaneous combustion, for there will be no set talks. The reports of officers will be submitted showing briefly what has been done and what has been attempted during the past year. In all respects it will be a business meeting. W. A. Zimmerman, president of the organization, will preside.

## SUPREME COURT UPHELD PATENT MONOPOLY RULING

WASHINGTON, March 24.—Slightly strengthening the patent monopoly established for patentees by the recent Dick Mimiograph case decision, the supreme court today affirmed the decision of the Illinois federal courts, awarding damages for infringement of patent rights on a gas heater. A Chicago store was denied the right to sell the heater at a less price than the patentees had fixed.

## WOMAN SUFFRAGE BILL FIRST PASSED BY ALASKA SOLONS

JUNEAU, Alaska, March 24.—Governor Walter E. Clark has signed the bill giving the ballot to the women of Alaska. This was the first bill passed by the Alaska legislature and will become effective in ninety days.

Since the passage of the bill, the members of the legislature have received congratulatory messages from suffrage leaders throughout the United States.

### BATTLE BEGAN TO-DAY AT CANAENA; REBELS ATTACKING

NACO, Ariz., March 24.—A courier from Cananea says Gen. Obregon's Constitutionalists attacked Cananea at daybreak and that the federals are outnumbered. Brisk fighting was going on when the courier left Cananea. The town has an American population of 300 people.

## WALTER LUTHER SENTENCED TO 25 YEARS

Man Who Debauched His Own Stepdaughter Sent to San Quentin Prison

### ADMITS HIS GUILT IN COURT TODAY

Judge West Even Contemplated the Imposition of the Life Penalty

Twenty-five years—a quarter of a century—behind prison bars was the fate imposed today upon Walter Luther, whose sorrowing mother lives alone at Newport Beach, and his worse than widowed wife makes her home at Wintersburg, where her 12-year-old daughter fell a victim to the man who had sworn only a short time before to honor and protect both her and her child.

Weeping and trembling Luther heard sentence pronounced upon him shortly after 11 o'clock this morning by Judge West in the superior court. Securely handcuffed he was walked from the county jail to the courtroom. This morning was the time set for him to enter a plea to the charge against him, that of debauching Cora Kelley, the mother of a babe born but a few weeks ago, and of which Luther, the girl's stepfather, is the acknowledged father.

Luther was prepared for his fate. He had days ago realized that there was practically no hope for escape from a verdict of guilty; and it had stood trial and had been convicted, he would have meant the spending of the remainder of his natural life in the state penitentiary. So it was with this grim specter of possible life imprisonment before him, that Luther, in low tones, informed the court that he would plead "guilty."

He was ready for sentence, he said, and waived all the formalities and technicalities that might have been possible to interpose to delay imposing of sentence. Luther "wanted it all over with."

For about half an hour after the self-condemned man had made his acknowledgment of guilt, Judge West perused the testimony that had been taken at Luther's preliminary examination before Justice of the Peace Cox. During this time the prisoner sat against a railing with his back to the judge and most of the time with his face buried in his arms. When finally he was instructed to stand up and hear sentence pronounced, he was noticeably pale. He stood at the side of a small table, and as Judge West read aloud extracts from the preliminary testimony, he moved uneasily and began crying.

The court officials and a few spectators were held in breathless attention as the court swiftly picked from the evidence the statements that presaged the stinging lecture that was to precede the pronouncement of sentence. As this reading continued Luther's form trembled like a leaf in a gale of wind. He held firmly to the table at his side, while his form swayed to and fro. He kept his head lowered and his weeping soon grew into sobs that shook him from head to foot. He let no sound escape him, however.

"The law provides that in cases of this kind the sentence imposed shall be not less than five years or it may be for the rest of your natural life," said Judge West preliminary to passing sentence. "The court can scarcely think of what kind of a case the legislators of our state had in mind for the imposition of the life penalty if it was not a case of this kind." He referred to Luther's marriage to the girl's mother, the taking of her into his home where by all sense of common humanity she was entitled to and should have received protection and care. He reviewed the insidious attentions paid by the stepfather to his stepdaughter, until the girl submitted. Then followed, the court found, more than a year of illicit relations.

"That you should have brought this sorrow, shame and disgrace upon this child," said the court, "and then expect this court to be lenient is hard to understand. It is to be regretted that a court should ever be called upon to have to pass sentence in such a case as this." The court denounced the man at the bar for his lack of decency, humanity, and heartlessness.

The court said that society as well as the laws of the land have to be considered, and that he was also willing to take into consideration the fact that Luther had saved the county probably large expense by not standing trial. In this respect, however, the judge expressed the opinion that the prisoner had not decided to admit his guilt until after he had found all avenue of escape shut off.

"You are a young man," were the court's closing words, "and there may be room—and there always is room—for those who really wish to repent. There is room for you, Luther, to repent and still make good. If you had gone on the witness stand and per-

## RIGHT-OF-WAY CASE IN ORANGE CANNOT BE COMPROMISED

ORANGE, March 24.—After many days of unceasing effort, the citizens committee that has been endeavoring to settle the remaining right-of-way suits which the Pacific Electric Railway Company is carrying into the superior court, today announced that it can do nothing in the case of J. Oehlke, and that it has dropped all negotiations with him looking toward a compromise.

Oehlke has about an acre and a half of land which the railroad company wants as part of its right-of-way from Santa Ana to this city on the contemplated electric extension. He demands \$2500 for this right-of-way. The company, through the citizens committee, has offered him \$1000, which he steadfastly refuses to accept.

Nothing now remains but the prosecution of the condemnation suit in the superior court.

RIVERSIDE, March 24.—In the shadow of the great wooden cross, erected by the Indians in memory of Father Junipero Serra, founder of the Southern California missions, fully 4000 persons gathered yesterday on the summit of Mt. Rubidoux, near Riverside, to participate in the sunrise Easter service.

### 13 Years a Prisoner—Believed Innocent, Released

HOUSTON, Tex., March 24.—Through the efforts of Maud Ballington Booth, a man who has been in the Texas penitentiary since he was 13 years old has at last been pardoned. The case has aroused considerable interest here as the man is believed to be innocent.

### BUT ONE WIRE WORKING THROUGH THE EARLY MORNING HOURS

NEW YORK, March 24.—At 11 o'clock this morning General Commercial Superintendent Brooks of the American Telephone and Telegraph company issued the following statement:

"Although our company has suffered heavily we have had one wire working out of Omaha since 5:45 o'clock, eastern time. At this hour it seems this is the only wire from there. We are besieged with requests for a moment's use of the wire, but have given it exclusively to the United Press on the theory that through its channels the news will reach every section of the country, to officials and executives of other states, who can take proper action. We have set aside our own desires to communicate with our own people. In the hour of such distress the public is entitled to consideration ahead of any commercial needs."

### SIX PATIENTS AT SAN BERNARDINO GIVEN SERUM

SAN BERNARDINO, March 24.—Dr. P. M. Savage, head of the county hospital, today administered the Friedman treatment to six patients. He obtained the serum from Dr. Austin Heid of Pittsburg. He says more serum is coming.

Injured yourself in this case, as you might have done, I would have given you not less than thirty years in prison if I did not impose the life penalty." In view of this fact and the defendant's plea, Judge West cut off five years of what otherwise would have been the minimum sentence and sentenced Luther to 25 years in San Quentin. Still sobbing and trembling, the prisoner was taken from the courtroom to the county jail by Jailer Deau.

## 3-YEAR-OLD BOY DROWNS IN A CISTERN

He Pushes Board Away and Is Suddenly Precipitated Into Ten Feet of Water

### DEAN WILLIS HASSEN OF BUENA PARK, VICTIM

Distressing Ending of Visit to Maternal Grand-parents at Placentia

ANAHEIM, March 24.—Dean Willis Hassen, the 3-year-old grandson of Dr. Hassen of Buena Park, was accidentally drowned yesterday afternoon in a large cistern in the yard of the residence of Mr. and Mrs. John Lenke, parents of the child's mother, at Placentia.

The little fellow had been taken by his mother, who is almost insane with grief at his unexpected demise, from their home at Buena Park, to spend the Sabbath with his maternal grandparents. They arrived in Placentia Saturday.

Sunday afternoon Dean was playing with several other children in the yard, when one of them unfortunately discovered the top of a cistern which is utilized for domestic purposes. It was covered with boards, and the children began trying to move them about.

Master Dean engaged himself in the task of moving one of the boards, even after the other children had warned of "one fun." Suddenly and without an instant's warning, there was a crash, and the boy had plunged into the cistern. It was later discovered that the board on which he had been working, gave away suddenly.

The screams of the other children notified Mrs. Hassen and her parents of the accident and they hurried as rapidly as possible to render aid, but they were unable to effect a rescue promptly enough to save the little fellow's life.

As Dean was rather heavily dressed his clothing interfered with his struggles in the ten feet of water, and tended to soon absorb the water and act as an extra weight upon his body. It was twenty minutes from the time that he fell into the cistern before his body was brought out of it.

Coroner Winbigler came here this morning and held an inquest at Backs & Terry's undertaking parlors, and the formal official inquiry resulted in the rendering of a verdict of accidental death by drowning.

The father of the ill-fated child is Dean Willis Hassen, under whom the boy was named.

## PAUL SHOUP FEARS EFFECT OF BILL

Thinks Limitation of Life of Franchise Will Stop Extensions

LOS ANGELES, March 24.—That the growth and development of Southern California is endangered through the proposed passage of Senator Carr's Senate Bill No. 771, which limits the life of franchises for lines to be built into new territory, is the telegraphic statement made by Paul Shoup, president of the Pacific Electric, who is now in New York.

President Shoup has sent the following wire to be read before the Senate committee at its hearing in Sacramento tonight:

"After close review of the financial situation in New York, I am entirely convinced that, if any of the proposed radical legislation such as is found in Senate Bill 771, is passed, it will put an immediate stop to electric railway extensions in California, because money, which is in strong demand, cannot be secured for the form of investment. Even under conditions as they now are, it is going to be quite difficult to proceed with our work, as the public interest in electric railway investments is not increasing."

Under the wording of Shoup's telegram, it is possible that many of the proposed lines in Southern California not yet financed may have to be abandoned, if the Carr bill becomes a law.

## RAIN COMES IN REFRESHING SHOWERS

Greatest Benefit to All Growing Crops Results From the Timely Moisture

ALL SECTIONS IN FLOURISHING SHAPE

Almost as Much Precipitation Up to This Time as Fell All Last Season

Rainfall March 22 . . . . .08 inches  
Rainfall March 24 to 7 a.m. .32 inches  
Total rainfall for the season to date . . . . .7.76 inches  
Corresponding date last season . . . . .5.84 inches  
Total for last season to May 9 . . . . .7.86 inches

A genuine April shower came to town early this morning, arriving a week ahead of the season so far as the calendar of time is concerned. It also came in the darkness of the night, arriving after the hour of mid-

night and coming down as merrily as if the sun had been shining. Added to the moisture that came Saturday, there was a total of close to half an inch of water with which the growing crops of Orange county and vicinity were refreshed.

Register correspondents throughout the county report the most beneficial results are certain to follow this rain. In some respects the precipitation means bumper crops in many lines. Orchardists and farmers of all classes agree that while there was no particular need for rain just at present, its arrival will nevertheless prove beneficial in all departments. Whatever fears may have been entertained for the apricot crop have been dismissed for the showers have helped them rather than otherwise.

To date the rainfall records at S. Hill & Son's store show that only ten-hundredths of an inch is lacking to equal the total record for all of last season, which closed May 9 of last year. Last year there was no rain at all in February, so that at the opening of the month of March the total rainfall was but 2.30 inches. The last rainfall last season was on May 9 when .99 inches fell, making the season's total 7.86 inches.

A dispatch from Ventura says the lima bean growers of that section are not pleased at the outlook, especially as regards carry-over stock, or that portion left unsold from last season. There are 300,297 sacks now on hand in Southern California. This exceeds by half the number of sacks on hand at the same time last year. Up to the last heavy rainfall in Southern California the price was high and the prospect for a good crop the coming year was in doubt. Under such conditions it was believed the carry-overs would go at the then still price at which they were held, which was over 5 cents per pound. There was not much demand at this price, but the holders thought it would come in good time. Then came the great rain and the prospect for a good crop this year and the price fell to 4.30 cents per pound, but there is no movement whatever.

The beans now on hand are stored as follows: Santa Barbara, 5502 sacks, weighing each eighty pounds; Carpinteria, 1044 sacks; Ventura, 14,649; Montalvo, 18,298; Salicoy, 58,392; Santa Paula, 2731; El Rio, 26,774; Oxnard, 14,148; Camarillo, 34,957; Sonoma, 27,232; Moorpark, 6322; Santa Susana, 25; Growers' warehouse, Santa Paula, 7817; Fish Seed company, Carpinteria, 212; Ventura Wharf company, 5739; Huonemo, 42,958; Sawtelle, 3629; Xalisco, 2376; Irvine warehouse, 16,394; Santa Monica, 3090; Hogue-Kellogg, Ventura, 1250; Westfall, 2200; Palms, 4000. Total, 300,297.

CHARLES MEAKINS AND THE FAMOUS MAXIM CHORUS IN "THE MERRY WIDOW."

### AMUSEMENTS

If Crown Prince Danilo of Montenegro is as charming as the Prince Danilo of Morosovia in the famous opera, "The Merry Widow," it is not surprising that the women followed to do battle against the Turks, as was told in the press dispatches.

Prince Danilo of Montenegro is Prince Danilo of Morosovia. All this came out after the sensational success of "The Merry Widow" in Vienna and after the writers of the journals in each country had commenced to heap abuse at each other. The Montenegrins objected to the expose in the play of the bankrupt condition of the little kingdom. Yet this had become well known at the time of the marriage of one of the royal Montenegrin princesses into the Italian royal family.

All this therefore gives renewed interest to Henry W. Savage's announcement that he will present a new and lavish version of Lehár's great work at the Grand Opera House Tuesday.

Olga Roller, Walter C. Wilson, Vernon Dalhart, Lon Clark Jr., J. D. Miller, Cynthia Perot, Peggy Thompson, Minnie Otten, Kent Elliott, Viola Napp, Anna Gartin, Shirley Love, Ordina Brenner, Margaret Latham, Betty Stone, Lola Rudd and Louise Cook.

Quite the funniest lot of absurd complications that could happen to a man occur in "Burglars at Brighton." Mr. George West plays the part of "Septimus Pontifex," the man who gets into all the trouble. The wild improbability of the stories "Pontifex" invents on the spur of the moment to keep his wife and mother-in-law in the dark as to an escape he had with his rattle-brained friend, "Diggles," are enough to keep the most staid of audiences in convulsions of laughter.

The prices for "Burglars at Brighton" are 25, 35 and 50 cents. Seats are now selling at Rowley Drug Company's store. Remember that the curtain for the first performance on Friday, March 28th, will go up at 8:15 sharp. On Saturday evening, March 29th, the curtain will rise at 8:30 sharp, in order that those who have snapping to do will have ample

the fundamental principles of literary art. The purpose of Dr. Clark's recital is to present these principles so that all who will may gain a true insight into the meaning of literature.

Dr. Clark is not a stranger to Santa Ana people although this is his first visit to the city. A good many of the high school teachers have heard him, as have many others now living in Santa Ana. It is safe to say that not one who has heard Dr. Clark will be absent Wednesday evening if within his power to be present.

L. L. SHAW, P. M.

GEORGE WEST, as "Septimus Pontifex." He has the principal comedy part in "Burglars at Brighton."

March 25. That it will be a production more lavish than ever goes without saying, for Mr. Savage never does things by halves. For instance of this fact consider his many renewals of that classic musical comedy, "The Prince of Pilsen." It seems to come in newer and prettier garb each time.

Myriad new gowns and hats which will grace the new production—in this department alone the purse of the Savage treasury will be severely taxed. But that something new and fascinating will be offered the ladies this time is certain because Mr. Savage through his agents and his frequent trips abroad keep in close touch with the Parisian markets.

Another important item in the general preparation of this enchanting piece is the cast. It is in this department that Mr. Savage has always displayed his respect for the happiness of the person who pays his money because it is a Savage production. He has yet to send a cheap or inadequate cast out in one of his plays. When there are two Savage companies touring in the same play, one will be found as good as the other. With Mr. Savage the Number 2 company is unknown.

There will be with few exceptions identically the same cast as appeared in the original New York production. Mabel Wilber, the sweetest widow of them all, will again sing the role of Sonia. The Prince Danilo of the play will be Charles Meakins. He and Miss Wilber have played opposite ever since the original New York production.

F. J. McCarthy, an original of the originals, will also be present. Oscar Pignat is again Baron Popoff. Among the others will be: Arthur Woolley,

Dr. Clark's Recital  
One of the most enjoyable literary events of the season will be Dr. Clark's reading from "Les Miserables" at the Grand Opera House Wednesday evening.

The ability to understand, to interpret, to judge the best literature, is not so rare as many believe. Nevertheless the interest in good literature is not so great as it should be, for lack of proper direction; and even among those who have an instinctive love for what is best in literary art there is not always sound critical judgment. To admire and enjoy literature is good; but admiration is greater and enjoyment keener when accompanied by an understanding of

## WANTED AT ONCE --TWELVE PEOPLE

We are opening permanent offices in Santa Ana, Thursday, March 27th, and we want twelve people down and out TO TREAT FREE OF CHARGE. These cases must be well known in Santa Ana as patients, who have exhausted every effort to find a cure for their diseases and are pronounced "so-called" incurable cases.

We will furnish doctor's care and medicine to these twelve patients without charge—this is to demonstrate to the people of Santa Ana and community that we bring to your city and county a treatment that is the Greatest Assistant to nature in the elimination of disease from the human body that has ever been discovered. This offer open ten days only—act quickly.

This treatment is worth to each patient from \$200.00 to \$300.00 if patient had to pay for the same and all we ask in return for the treatment is a sworn statement, of the patient WHEN CURED, for publication in your daily papers.

To prove to the suffering and afflicted of your city the truth of every claim we make for our Treatment we ask these patients to bring a 4 oz. bottle of urine from a receptacle in which has been stored the urine passed during the night and early morning, this is to enable our physicians to diagnose and fully understand the nature of your disease.

Our Santa Ana offices are under the skilled direction and management of M. St. W. Iseman M. D. of Washington, D. C., who has come to make his home in your beautiful city. His opinion of your case, worth from \$25.00 to \$100.00, for the doctor is known as an expert in medicine, costs you nothing.

The diseases we successfully treat are rheumatism, stomach troubles, liver trouble and constipation, Bright's disease and diabetes. When we make the statement that Bright's Disease and Diabetes have been cured by our treatment numbers of people are living who were cured many years ago and are in good health today. You can see them, talk with them and learn for yourself.

We also treat catarrh of system or any form of bladder trouble and all kidney trouble and blood disorders no matter from what cause. We also treat eczema, old sores that will not heal, certain female troubles without knife, also piles and fistula without the knife; granulated eyelids, epileptic fits, nervous disorders.

We have many patients who will tell you that they were cured by our treatment who had given up all hope of being cured.

We are not Birds of Passage nor our treatment and remedy newly discovered for we have been established over ten years and have proven the truth of our claims to cure hopeless cases of disease in every locality where we have established our offices.

We have our main offices in Long Beach, Calif. We also have offices in Phoenix, Arizona, and San Antonio, Texas, and are reliable in every sense of the word.

We accept no cases for treatment, promising them to be cured, that we believe we cannot cure. We practice no deception in our offices and give our opinions only as to the prospect of a cure in your case after a rigid and careful examination. We administer no poisonous drugs, our own remedy formulated from the laboratory of nature, being in the majority of cases all sufficient to effect a cure.

We will also accept ten cases of any disease, charging only the cost of the medicine, which will not exceed \$10.00 per month until cured and ten patients at the cost of the remedy for one month, this to demonstrate to you that in one month your disease may be cured.

There will be no charge for examinations and we reserve the right to determine whether we will or will not accept your case.

A word more—do not look upon this advertisement lightly, as when we are in your city for a period of time and you have seen those cured of their disease whom you knew were in a bad condition, you will then regret you did not avail yourself of this splendid offer.

These offers are open for ten days only and will not be given again.

## STANFORD GETS READY FOR MEET

George Horine One of Alumni to Present Cups—Offers High Jump Prize

STANFORD UNIVERSITY, March 22.—Great preparations are being made for the entertainment of the intercollegiate athletes on the 12th of April.

Besides the beautiful gold, silver and bronze medals to be given the winners, several prominent alumni have donated beautiful cups for the winners of each event. Besides these there are seven team and individual cups regularly contested for, making a total of twenty cups.

Geo. Horine, holder of the world's record in the high jump, also holder of the Stanford record and the Stanford-California Intercollegiate record and coast record, will present a cup to the winner of the high jump.

S. S. Scott, former holder of the world's pole vault record at 12 feet 10 3/4 inches, also the Stanford-California Intercollegiate record and coast record, will give a trophy to the winner of the pole-vault.

The first man to cross the tape in the 100-yard dash will receive a cup from J. R. Holman, varsity sprinter

and one of the fastest football players on the coast.

Tom Coleman, last year's track captain and holder of the Stanford-California Intercollegiate record in the 220, of 22 seconds, will give a cup to the winner of that event.

Bill Wyman, holder of the 440 Stanford-California record and winner of the Western Conference quarter in 1910 in 48, will give a cup to the winner of that event.

John O. Miller, holder of the Intercollegiate record in the 880 at 1:50.2, and Bill Fletcher, winner of last year's mile and holder of the Intercollegiate record of 4:28, will each give a cup for their special event.

Wolfe, Crauford and Taumaster, record holders of the hammer throw, shot put and broad-jump, will donate cups for those events.

The hurdlers will receive cups from McFarland and Morris, who hold the Intercollegiate records in those events.

Many entries have been received so far, indicating that the meet this year is to be the largest and best in the west. The railroad companies are offering special rates and the athletes are to receive special attention as soon as they arrive.

The Stanford Military Band had scheduled a tour of Southern California towns during Easter vacation. They will be unable to meet all the engagements that have been asked for. It is one of the best organizations of its kind on the coast now.

## WALNUT TREES ARE COMING OUT IN GOOD SHAPE

The walnut trees are coming out in fine shape, and by present indications growers may look forward to a good crop. It is now becoming evident that the harder freeze of the past winter did less damage than the lighter freeze of the previous year. This proves in fact what I told the readers of the Register immediately after the freeze, that in my opinion the cold, dry winds preceding the frost had prepared the trees to withstand the freeze by making them dormant; and that consequently the damage from frost would be found to be less than that of the previous year.

The price is likely to be as good as, or better than, last year, unless a lowering of the tariff on walnuts should make a corresponding decrease in price. Growers should take some pains to mark the "boarders" in their orchard, that is, the trees which year after year bear a light or otherwise unprofitable crop.

## WEST BELIEVES STATE SOLONS APPROVE

County Prosecutor Is Satisfied Amendment to Highway Law Will Pass

"The kind of roads the state ought to have," is the kind of highways that Orange county is going to have under the plans for the construction of roads here. This was the opinion of members of the state legislature who were met at Sacramento by District Attorney West and Chairman Crookshank of the county highway commission. Messrs. West and Crookshank went to the state capital for the purpose of having an amendment enacted to section 10 of the act that provides for the construction and improvement of public highways in any county.

The law as it is at present provides that if a highway commission shall determine that a road shall be macadamized or paved, "then the macadamized or paved portion of the roadbed constructed or any highway or portion thereof shall not exceed sixteen feet in width, unless donations are made to the highway commission for that purpose, in which case such donations shall be used to defray the increased cost of constructing such macadamized or paved roadbed more than 16 feet wide on any part of such highway specified by the donors, but no part of the proceeds of any bond issue shall be expended for such purpose."

It is at this point that the proposed amendment is made. The Orange county highway commissioners wish the law to continue as follows: "except to build shoulders or marginal protections to said highways where the same are macadamized or paved, and which shoulders or marginal protections thereto shall not exceed two feet in width on each side of said macadamized or paved highway."

Senator Anderson and Assemblyman Weisel have introduced the proposed amendment in the senate and

assembly, respectively, and the prospects are favorable for its passage.

"We met Senator Birdsall, chairman of the senate committee on highways," said Prosecutor West this morning upon his return from the north, "and the senator said that he had himself seen the need for the enactment of just some such amendment as the one proposed. He also said that if all legislation was as clean cut as this there would be no difficulty in securing its enactment. Assemblyman Gabbart, who is the chairman of the highway committee of the lower house, is also agreeable to our amendment."

## STOMACH GONE BAD SOUR, GASSY, UPSET?

When "Pape's Diapepsin" Gets In Stomach All Indigestion Goes

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world and besides it is harmless.

Millions of men and women now eat their favorite foods without fear—they know now it is needless to have a bad stomach.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest, surest relief known.

## DODDS IS OFF FOR HIS HOME

Old War-Horse Canadian Booster Still Boosting Orange County

G. L. Dodds, of Winnipeg, Manitoba, Canada, has been in Orange county for some weeks, making his headquarters in Santa Ana, looking after some investments that were made through him last year for Canadian clients. Mr. Dodds thinks that walnuts are a safe proposition; the crop averaged \$150 per acre, and the land increased in value upwards of \$300 an acre. He has also been looking into conditions along the line of ranch management and cultivation, and spent some time on the big Irvine ranch, where there is upwards of 20,000 acres prepared for lima beans. Considerable land is also being planted to sugar beets and barley, all under the dry-farming system; while there is also considerable of this 110,000 acre farm under irrigation, planted to walnuts and other fruit trees.

The dry farming is the feature that appealed to Mr. Dodds, who spent some time on the ranch with William Wilson, who grows beans, and who is one of the many first-class men on this big farm. Mr. Wilson explained the system of plowing, cultivating, and "cycloning" to conserve the moisture in the land. So scientific are the implements and treatment of the land that Mr. Dodds has had pattern forms made by Harry Jesson of Santa Ana, of the Jesson Cyclone weed Cutter and dry-farming cultivator, and has expressed them to his home in Canada, and carries home with him the right to manufacture and register trade marks on these machines for the whole Dominion of Canada.

Mr. Dodds also purchased a goose-neck cultivator, lead bars and a furrower from Hollister & Masters of Orange. This goose-neck cultivator was also manufactured at Orange by a practical man. There is a 20 per cent duty on such implements, together with express and freight.

Mr. Dodds is leaving on Tuesday to look into conditions along the coast northward, calling at Santa Barbara, San Francisco, Portland, Seattle, Victoria, Vancouver, going thence east via the Canadian Pacific to Winnipeg, where he is promoting interests in market gardens, poultry farms, farm lands, coal mines, clay deposits suitable for brick making, etc.

Mr. Dodds also carries home with him some fine geological specimens that he found in the San Juan Canyon and near the coast of Mexico.

## FOLLOW THE TRAIL FURTHER, MR. BURNS

Some days ago Detective William J. Burns, before a group of civic and social workers, was telling of the capture of the grafters in the Detroit city council. In the course of events the president of the council was caught red-handed in taking a bribe of a thousand dollars and made a complete confession of all his crooked activities. All this was made a matter of public knowledge. But, notwithstanding, the councilman stood for re-election in his ward and won out by a good majority.

This situation Mr. Burns used to illustrate the point that the quality of American citizenship so often seems hopeless. He firmly believes that the main trouble with American politics is the indifference, or worse, of the average voter.

With this view we beg to dissent. Of course a grafting officer could not be re-elected in Santa Ana or any other small city. But Detroit is a big city, is under the old-fashioned form of city government, and the name of the grafting councilman was mixed up with those of a lot of other petty officials, too numerous to be carefully scrutinized and too obscure to attract the interest of the voter. The ballot contained a too convenient arrangement whereby the voter, with two strokes of the pencil, could vote into office a whole column of party candidates, grafters and all. We suspect that the councilman in question was not "elected by the people," but was dragged into office on the coat-tails of a better man.

At any rate, the grand jury has made the constructive suggestion that Detroit adopt the commission form of government, as being simpler, more effective and a better protection against grafters.

The Short Ballot would make citizenship effective.

## Pacific Coast News Letter

WASHINGTON, March 24.—Miss Maud Younger, known throughout California in the trade union movement and the suffrage campaign, came down from New York for a quiet participation in the suffrage pageant. She thought it would be a relief from the work she had been doing as a picket in the garment workers' strike in the metropolis. Miss Fola LaFollette, daughter of the senator, had the same idea. They were undecieved. The suffrage paraders were forced to push their way through a howling mob of people and the few policemen either were helpless to prevent toughs from active demonstrations against the women, or else made no efforts to do so.

But the Washington police dealt with the wives and daughters of high officials. They are now the most unpopular bluecoats in the country and probably many of them will be punished. Members of congress have been stirred more by this incident than by anything urged upon their notice in years. A senate investigation of the police department is now in progress.

Congressman Charles W. Bell of Pasadena, California, with Mrs. Bell and their son, stopped in the capital only long enough to witness the suffrage parade and the inauguration ceremonies. They have gone to Pan-

ama with the congressional excursion party to visit the canal before the opening of the next session.

Other Los Angeles visitors calling upon Congressman Stephens were Willis H. Booth, former president of the same organization in the southern city. Mitchell is here in attendance at the Good Roads congress.

The desert land entrenchment in the Chuckawalla valley and the Palo Verde mesa in Riverside county, California, have at last secured the three years' extension of time for proving up their claims. They had been unable to secure water for irrigation. The bill legalizing the extension was advanced in the senate by Senator Perkins and in the house by Congressman Raker and Congressman Hayes.

Out of the wreck of hundreds of appropriation items which marked the closing hours of the old session, Congressman Stephens of Los Angeles drew \$228,000 for fortifications at San Pedro, \$121,000 for harbor improvements and \$60,000 for a public building at the same port.

He says that he and Congressman Hayden of Arizona succeeded also in increasing by several thousand dollars the support given the experiment stations for cotton and date culture in the southwest.

**Precision**  
President Wilson, at a dinner in Washington, said of a statistician:

"His figures are so precise that one inclines to doubt them. He is like the American sugar planter in Hawaii, who, taking a friend to the edge of a volcano, said:

"That crater, George, is just 70,004 years old."

"But why the four?" George asked.

"Oh, I've been here four," was the reply. "It was 70,000 when I came."

## IN THE POPPY FIELD

Mad Patsy said, he said to me,  
That every morning he could see  
An angel walking on the sky;

Across the sunny skies of morn  
He threw great handfuls far and nigh  
Of poppy seed among the corn.

And then, he said, the angels run  
To see the poppies in the sun.

A poppy is a devil weed,  
I said to him—he disagreed;  
He said the devil had no hand  
In spreading flowers tall and fair  
Through corn and rye and meadow land.

By garth and barrow everywhere:  
The devil has not any flower,  
But only money in his power.

And then he stretched out in the sun  
And rolled upon his back for fun;  
And kicked his legs and roared for joy  
Because the sun was shining down,  
He said he was a little boy.

And would not work for any clown:  
He ran and laughed behind a bee,  
And danced for very ecstasy.

James Stephens.

# Doings In Social and Club Circles

## SOCIAL EVENTS COMING

**Lenten Season Ends—Activity In Social Circles Will Be Renewed at Once**

Now that Lent with its penances and quiet restful periods is over, it is expected the social season will resume its wonted activity. While this Lenten period has been rather more lively in a social way than usual, still there has been a decided cessation of social happenings, the various study clubs only keeping up their habitual work. There will be considerable activity among the younger society set during the next ten days.

The Misses Violet and Dorothy Wist are receiving many courtesies prior to their near-by departure for England with their parents, and in return for these they are planning a brilliant dancing party for next Saturday night at the Armory.

Tonight they will be the guests of Miss Wilhelmina Cavins at a "wienie" cake at Laguna Beach if the weather permits. Otherwise the affair will take place at the residence of Mrs. Cavins possibly assuming another form.

Another affair planned in honor of the Misses Twiss is a party to be given next week by Misses Linna Yarnell and Itha Shaul.

—O—

**Final Rehearsal of "Rose Maiden"**

The last rehearsal of "The Rose Maiden," which is to be given at the hall on the evening of Tuesday next week, will be held at the Congregational church this evening. All members will realize the importance of this rehearsal, and it is hoped they will put forth every effort to be present at this evening's rehearsal.

—O—

**Recovering From Accident**

The friends of Mrs. E. H. McMath, wife of the principal of the Santa Ana High School, will be glad to know that she is recovering rapidly from the strained ankle sustained by her last Friday evening while trying to learn to ride a bicycle at her home at 416 East Sixth street. Mrs. McMath is able to walk about with the aid of crutches and is hoping to discard those within a very short time.

—O—

**W. C. T. U. Meeting Tomorrow**

The Santa Ana W. C. T. U. will meet Tuesday at 2:30 p. m. in the parlors of the First Methodist church, with Mrs. J. M. Raugh as hostess. The program will be a miscellaneous one, for which special music has been prepared. Rev. W. L. C. Carson will give a talk on "The Future of the W. C. T. U.," and the Ken- nedy liquor into "dry" territory, lately issued by Congress, will be discussed.

This meeting will undoubtedly be one of unusual interest and a large attendance is expected.

—O—

**Monday Club Tonight**

This evening the Rev. Paul E. Wright will give his postponed paper, "In Historical View of Socialism," before the Monday Club at Library hall at 7:30 o'clock. A full attendance of members is desired.

—O—

**For Miss Pogue**

Former members of Santa Ana High school 1905 B class met Saturday afternoon at the home of Mrs. J. L. Mc- dade, 1161 East Fourth street in a pleasant reunion. The hostess had ordered the living room with pink and white roses, and the dining room was attractive in a decorative scheme of the color of which was yellow.

The ladies had their needlework with them and the hours passed de- lightfully in conversation over the busy sewing. The affair was given pecially in honor of Miss Grace Pogue of Washington, who is the guest of Mrs. S. H. Finley. Mrs. Finley and Mrs. S. Matthews were her special guests.

Delicious refreshments were served in the afternoon and were par- ken of by the following guests: Mesdames Finley, Matthews, Frank- odd, A. M. Robinson, Miss Pogue, Mesdames Rosamond Norman, Edith Stan- ley, Etta Crocker.

—O—

**Birthday Dinner**

Mr. and Mrs. Fred Ross yesterday entertained Mr. and Mrs. C. E. Pres- ton with a chicken dinner, given in honor of Mrs. Preston's birthday.

## FOR TEACHERS

**Sunday School Classes Unite In Pleasant Surprise For Instructors**

The Intermediate classes of the Immanuel Baptist Sunday school gave a surprise party on their teachers, Miss Radabough and Miss Nickell, Friday evening, March 21, at the home of Cora and Royal Fowler, 514 Lyon street. The evening was spent in playing games and enjoying music. The young people present were Martha Williams, Alice Pond, Gladys Shallenberger, Audree Pond, Helen Teel, Vela Teel, Ruby Kraschel, Carrie Freeman, Grace Martin, Mrs. Claude Fowler, Dolly Fowler, Carl May, Frank Freeman, Leslie Benson, Fred Montgomery, Fred Robinson, Edson Hendrickson, Carl Beltz, Alvin Teel, Claude Fowler and Virgil Clem. About 10 o'clock all went out in the yard to a "weenie" bake, which was enjoyed very much, after which all returned home at a late hour.

—O—

**Slumber Party**

Miss Virgil Potts entertained a number of her friends Saturday night at a slumber party at her home on North Main street. A jolly evening was spent by the young ladies. Her guests were Misses Nellie Bacon, Hazel Rowley, Edith Wells, Frances Shrewsbury. Yesterday they attended Easter services at the First Presbyterian church.

—O—

**Easter Supper**

Sycamore Rebekah lodge held a largely attended session last Saturday night, receiving four applications for membership, and following the business period with an Easter supper.

The banquet room was appropriately decorated and in the centers of the tables were baskets of eggs brightly colored for the occasion. Sandwiches, egg salad and coffee were served.

—O—

**Easter Dinner**

Yesterday Miss Ruth Inwood and her cousin, Miss Marian Inwood of Los Angeles, were guests in the F. H. McElree home at an Easter dinner.

Other guests were Misses Elsie and Norma Wingood of Santa Ana and Mr. Ellis House of Tustin.

—O—

**Party for Small Girls**

Mrs. Norman Roper entertained nine little girls at an Easter party Saturday afternoon, an egg hunt and other diversions being enjoyed. The event was for her little daughters, Elizabeth and Margaret Roper.

—O—

**House Party at Beach**

Mr. and Mrs. W. A. Huff most de- lightfully entertained the P. E. Whist Club, to which they belong, at a house party at their Newport Beach cottage over Saturday and Sunday. The guests were Mr. and Mrs. Maurice Yarnell, Mr. and Mrs. P. S. Roper, Mr. and Mrs. L. A. Collier. The party made the trip to the beach in automobiles.

On Saturday evening whist was played, with Mr. and Mrs. Roper winning the beautiful trophy offered for high score.

—O—

**For Day Nursery Tots**

The children at the Day Nursery had a merry Easter celebration on Saturday under Matron Jones' direction. The forenoon was spent in dyeing eggs, and a substantial dinner with eggs as the chief dish, was served at noon. An egg hunt in the afternoon took the children out doors, as nests were made in the yard for the hiding of the eggs. An Easter story following the hunt was greatly enjoyed, the story of the life and death of Christ being told from a chart given by C. C. Collins.

Mrs. Jones wishes to say that clothing for a boy of six would be greatly appreciated, as he needs clothing badly.

**TIMBER FIRM HAS LARGE JOB**

ASTORIA, Ore., March 24.—Birch & Jacobsen have finished building 1500 feet of trestle for the Palmer Logging company in the Willitski River district and are now driving about 200 piling for a log boom. The company has a tract of approximately 45,000, 000 feet of timber belonging to the Sorenson Logging company, which it is to log.

## WISTARIA CLUB

**Miss Minnie Gardner Hostess to Whist Club—At Her Handsome Home**

Miss Minnie Gardner Saturday night entertained the Wistaria Whist Club at her beautiful home on East Wash- ington, using daffodils in house decorations. Score cards, place cards and refreshments were all suggestive of Easter.

Miss Marvel Baker and Elmer Prince were prize winners and those taking consolation awards were Miss Florence Mullinix and Lester Carden. Those present were: Misses Mar- vel Maker, Hazel Thomas, Ethel Gar- ner, Lena Thomas, Verna Peterson, Florence Mullinix, Martha Swartz- lander, Ethel Roper; Peterson, Minnie Gardner; Messrs. Roy Peterson, Ralph Walbridge, Herman Reuter, Garland Ross, Richard Marple, Har- vey Gardner, Elmer Prince, Lester Carden, Mr. and Mrs. Hugh Plumb, Mr. and Mrs. Cecil Dubois.

## Personals

Mrs. Lea Warren, Miss Grace White and Miss Esther Fluor spent Saturday in Los Angeles.

Hillard Griggs, the obliging mes- senger for the local Western Union Telegraph office, is again at his post after a month's absence caused by a severe attack of erysipelas. He was in bed twenty days.

Mr. and Mrs. P. G. Givens and son Charles left today for San Juan Hot Springs, where they will spend a week or ten days to benefit Charles' health.

The friends of Mr. E. A. Felts will be glad to know he is doing very nicely, after having undergone an operation at the Santa Ana Hospital last Wednesday morning. If Mr. Felts continues to improve he will be removed to his home in a few days.

Mr. and Mrs. Louis Sherman and Mrs. Sherman's mother, Mrs. Harry Gibbs, of Los Angeles, were week- end guests of Mr. and Mrs. Baum- gartner, Mrs. Palmer and Mrs. J. W. Taylor. They came down Saturday afternoon and returned Sunday evening.

W. E. Gates, the real estate man, was a business visitor to San Diego and Oceanside for the weekend.

Dr. and Mrs. D. A. Allison, of Spo- kane, Wash., are house guests of Mrs. Victor Montgomery at her Wal- nut street home.

Mrs. Louisa Perry of Los Angeles came down Saturday for a few days' visit with Mrs. Nell Wilson and other friends here.

C. F. and F. C. Mansur and J. O. Burbank left this morning for Pana- ma, expecting to be gone a month.

Mrs. Cora Cavins and her daughter, Miss Wilhelmina, spent yesterday at Redlands visiting Mrs. Crissman.

Miss Belle Parker of Calexico will be the guest of Mr. and Mrs. Maurice Yarnell over tonight.

**CITY ENGINEER FINLEY RETURNS FROM PANAMA**

City Engineer S. H. Finley has re- turned from a two weeks' visit to the Panama Canal, where he enjoyed exceptional opportunities to inspect the magnificent engineering feat, thanks to the possession of a letter of in- troduction to one of the engineers on the work. Colonel Finley is high in his praise for the work that has been done, and judged from a critical engineering point of view. He enjoyed his trip immensely, having been gone from Santa Ana almost a month.

## EASTER OBSERVED BY SANTA ANA CHURCHES YESTERDAY

Easter Sunday was fully observed yesterday by the churches of this city. Large congregations assembled in the various church edifices, all of which were beautifully and appropriately decorated.

Special musical programs were rendered by the choirs and special sermons fitting to the Resurrection Day memorial were preached from all pulpits.

An especially impressive feature of the evening service at the First M. E. church was the beautiful reading of "The Other Wise Man" by Ernest Crozier Phillips, with musical accompaniment by Miss Ruth Deardoff. The auditorium and Sunday school room were crowded. Besides the exquisite reading a splendid musical program was given. At the morning service a number of infants received baptism, a touching ceremony.

**Congregational Church**

The musical service at the Congregational church last night was one of the best ever given there. The blending of the voices seemed perfect and the music itself was all of an unusually high order and well rendered. Edmund Turner's magnificent anthem, "O Death Where Is Thy Sting," and Homer Bartlett's "Alleluia, Christ Is Risen," well portrayed the gladness of the season and the joyful promise of the resurrection to all mankind.

Mr. Miles sang Granier's "Hosanna" in a charming manner and Mr. Phillips brought out every hidden meaning in Harry Rowe Shelley's beautiful song "The Resurrection." The music will probably be repeated next Sunday in order to give everyone an opportunity to hear and enjoy it.

**First Presbyterian Church**

Mrs. Maude McDonald, of Columbus, Ohio, who is spending a few weeks in Santa Ana, delighted a large and appreciative audience at the First Presbyterian church yesterday by her singing of "Hosanna" by Granier. Mrs. McDonald has a voice that is full, clear and wonderfully full of feeling. It is with great pleasure that her many friends anticipate hearing her sing "The Ninety and Nine," at the evening service next Sabbath.

**Violets of February**

There comes from Michigan, the state of the four Great Lakes, of forests and long winters, a jubilant demand for the congratulation of the rest of the world, east or west. It comes from the Lawton Leader and celebrates the Marie Louise violets, which would seem to make the whole state fragrant. One certainly gets a whiff of them from the unfolding pages of the paper. Thousands of beautiful violets are blossoming in Lawton at the present moment, so we read, and they are of a double variety which is grown on only three farms between Lawton and New York.

The grower of these purple thou- sands is a woman who cherishes them in a greenhouse 100 feet long and ships from 500 to 2000 of the flowers at once to large dealers in such cities as Chicago, Kalamazoo of the lyric name, Bay City and Saginaw. This is the best season the grower has had. It is her fourth. She made the subject of violet growing a practical study for a year before engaging in the business. All of which tends to prove the advantage of definite preparation for any work in which one looks for success.

A pretty note in the article describing the lady's work is touched in the statement that the flowers are all carefully arranged in bunches in such a way that all the tiny faces turn out toward the circumference of the bouquet.

## S. P. BEGINS NEW R. R.

Will Build Line From Calexico to Gulf of California in the Near Future

EL CENTRO, March 24.—The Southern Pacific Company is expected to begin the work of construction on the new railroad from Calexico to the Gulf of California very soon. Reports have been circulated that this work is already under way, but until now, a preliminary survey only has been made.

This survey runs west from Calexico around Signal Mountain, then follows the south side of the delta, crosses the Colorado river and continues in a southwesterly direction.

## COUNTY FEDERATION P.T. ASSOCIATIONS ELECTS OFFICERS

State's First County League of  
Kind—Mrs. G. P. Hill Is  
Chosen President

The large auditorium of the Fremont school of Anaheim was the scene of a most enthusiastic meeting last Saturday, when the Orange County Parent-Teacher's Federation held an all day session to complete its organization by the adoption of a constitution and by-laws. Many schools from all over the county were represented and the interest manifested was most gratifying.

The forenoon session was opened at 10 o'clock, with Mrs. G. P. Hill of Santa Ana, temporary president, in the chair. Invocation by Rev. F. W. Mitchell of Anaheim was followed by an allegiance to the flag ceremony, and a welcome address by F. C. Spencer of Anaheim. Mrs. W. B. Tedford of Santa Ana responding. A roll call of parent-teacher's associations of the county, of which there are sixteen, was followed by routine business which was concluded by the adoption of the constitution and by-laws. The nominating committee was given more time for selecting names to put in nomination, and the association presidents then talked briefly on "The Best Thing We Have Done This Year, and Our Aim."

The noon hour demonstrated the hospitality of the Anaheim ladies, a most abundant and appetizing luncheon being served in the banquet room of the building.

The following officers were elected at the afternoon session: President, Mrs. G. P. Hill, Santa Ana; first vice-president, Mrs. Goodale, Los Angeles; second vice-president, Mrs. Wilcox, Buena Park; third vice-president, Mrs. Donna Hallway, Yorba Linda; recording secretary, Mrs. Hagg, Anaheim; corresponding secretary, Mrs. E. Edwards, Orange; treasurer, Mrs. F. Snyder, Fullerton; auditor, Mrs. Irene Wilson, Brea; historian, Mrs. W. B. Tedford, Santa Ana; parliamentarian, Mrs. Yocman, Los Angeles.

The committee on resolutions, composed of Mrs. W. B. Tedford, G. B. Darnell and E. B. Haas, reported the following resolutions:

Resolved, that we use the power we possess to influence the managers of the exposition to eliminate all features which might in any way be a

## TRY IT! SAYS SAGE TEA DARKENS AND BEAUTIFIES FADED GRAY HAIR

Mixed With Sulphur Makes  
Hair Soft and Luxuriant and  
Removes Dandruff

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is coming in vogue again, says a well-known downtown druggist. It was our grandmother's treatment and hundreds of women and men too, are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage. Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use

product called "Wyeth's Sage and Sulphur Hair Remedy" for about 50 cents a bottle. It is the most popular because nobody can discover it has been applied. Simply dampen a soft brush or sponge with "Wyeth's Sage and Sulphur" and draw this through your hair, taking one small strand at a time. Do this tonight, and by morning the gray hair disappears and after another application it is restored to its natural color.

What delights the ladies with Wyeth's Sage and Sulphur is that besides beautifully darkening the hair they say it produces that soft lustre and appearance of abundance which is so attractive; besides prevents dandruff, itching scalp and falling hair. Here, you gray-haired folks, get busy; look years younger. Rowley Drug Co.—Advertisement.

## SANTA ANAS WERE WINNERS

San Diego High School Track  
Team Was Defeated in Saturday Meet 63 to 59

By a score of 63 to 59, Santa Ana High School's track team defeated San Diego's athletes in the meet held at Lincoln park Saturday afternoon. Dana of San Diego and West of Santa Ana were the stars of the meet. Dana entered five events, won three firsts and a second, being defeated in the 50-yard dash by Robinson of Santa Ana, and ran the final lap of the exciting relay. In the relay Dana got to the tape a yard ahead of Frye of Santa Ana.

West and Santa Ana's other pole vaulters and jumpers had a comparatively easy time of it, Santa Ana taking both events handily. West got away with both hurdle events.

Keech showed up excellently in the distances. He won the mile, and got second in the half, which was taken by Adkinson. Adkinson was not in good condition. Even at that he ran Dana a great race in the quarter.

The summary:  
Fifty Yard Dash—Robinson, S. A. first; Dana, S. D. second; Thompson, S. D. third. Time, 5:02.  
120-yard Hurdles—West, S. A. first; Nichols, S. D. second; Criddle, S. A. third. Time, 17:01.

600-yard Dash—Kramer, S. D. first; Plavan, S. A. second; West, S. A. third. Distance, 20 ft. 7 1/2 in.  
1 Mile Run—Keech, S. A. first; Brown, S. D. second; Osterman, S. A. third. Time, 4:51.

100-yard Dash—Dana, S. D. first; Robinson, S. A. second; Marshall, S. D. third. Time, 10:01.  
440-yard Run—Dana, S. D. first; Adkinson, S. A. second; Carson, S. D. third. Time, 52 sec. flat.

Discus—Davidson, S. D. first; Marshall, S. D. second; Clapp, S. A. third. Distance, 111 ft. 10 in.  
Pole Vault—West and Fontz, S. A. first; Kramer, S. D. third. Height, 10 ft. 6 in.

220-yard Hurdles—West, S. A. first; Streble, S. D. second; Fontz, S. A. third. Time, 27:04.  
High Jump—Smith, Anderson and West, S. A., tied for first.

220-yard Dash—Dana, S. D. first; Smith, S. A. second; Marshall, S. D. third. Time, 24:02.  
880-yard Run—Adkinson, S. A. first; Keech, S. A. second; Lundy, S. D. third. Time, 2:07.  
Shot Put—Walters, S. D. first; Davidson, S. D. second; Smith, S. A. third. Distance, 40 ft.

Relay won by San Diego.

## THE MARKETS

LOS ANGELES PRODUCE MARKET

Vegetable receipts the past week have been very good. A considerable quantity of celery is on the market around \$2.50 a crate and 50 cents a dozen bunches. Lettuce improves, although there is still some lower grade stock. Potato receipts were heavy and the market still remains very easy. Receipts of sweet potatoes Saturday were fair, and they are at 2 to 2 1/2 cents a pound. Tomatoes are practically out.

The butter market was steady Saturday with the demand for extras apparently good. Receipts seem to be improving and a decline in a few days is not unlikely. Eggs may show minor changes. Cheese is rather steady, but should fall off soon.

Locuats are selling around 10 to 15 cents a pound. They will be more plentiful soon. Bananas are a little firmer but apples still continue cheap. Reported receipts were: Eggs, 619 cases; butter, 40,249 pounds; cheese, 187 pounds; potatoes, 3551 sacks; sweets, 66 sacks; apples 500 boxes.

## Planting

We are now in the midst of the tree planting for this season in the Yucaipa Valley. Forty thousand trees are being set. Rome Beauty, Wine-saps, Delicious, Arkansas Blacks, and Winter Banana, are the principal varieties being set. These are the varieties that have been well tried out in the valley and produced such remarkable results. Pears and cherries are also being set, both of which do remarkably well in Yucaipa.

The big water developments and irrigating systems are nearing completion. And now for the surface crops. Hundreds of acres of vegetables are growing. More tomato growers are wanted. The canners are ready to contract for 50 acres more. The Yucaipa tomatoes, large, smooth and solid, are especially valuable for late shipment.

Remember there is no other land proposition in Southern California equal to the Yucaipa Valley when it comes to soil, irrigation and domestic water. Modern improvements and profitable results. Not way up north. Not out on the desert. No stones, no cactus, no brush. The whole valley a garden spot. No fogs. No destructive winds. No late frosts. No desert heat, pleasant all winter. Fine schools, churches, newspaper, library, hotel, stores, woman's club, growers' club, park, electric light, automobile service. Rural free delivery and all things that make life attractive in this beautiful valley. And soon this fine opportunity will be gone forever for the land is selling fast. The price so reasonable, the terms so easy, six per cent interest, two years between payments. We go up every week. One day trip to see it all. Only 64 miles away. Go with us and see for yourself. ## AT THE COURTHOUSE

# LAWYER IS THE PLAINTIFF AND HE WINS

Business Brisk Today in and  
About the Court House  
Departments

An attorney-at-law who practices his profession in Imperial county was the plaintiff in the superior court here today before Judge West, seeking to obtain judgment for \$1137.37, which he succeeded in getting.

The plaintiff was T. M. McNamara of El Centro and the defendants were D. W. Breckenridge and his wife, of Orange county. It appeared that the defendants had sought and received the legal knowledge of the plaintiff and that they had given him in payment their joint notes aggregating more than \$1000; and this amount with interest since date of issuance footed up a grand total of \$1137.37.

Judgment was rendered for the plaintiff.

**"COUNTY PORK PRODUCTS"**  
It is gratifying to note the establishment of industries in Southern

California that will tend to greater diversification. One such is now being established on the famous Puente Rancho in Los Angeles county—Puente Rancho Packing company.

This enterprise is well under way, and an advertisement concerning it appears elsewhere in this paper. The proposition seems to be carefully laid out on correct financial and economic lines, and the directors are men of such standing as to command confidence. They are: L. Dedier, T. H. Pratt of Puente; John S. Woolcott and Paul Peirce of Los Angeles, and B. W. Brown of Riverside.

**SOFIA, March 24.**—The representatives of the powers called separately Saturday on Premier Guchoff and handed him the following communication:

"The governments of the great powers take note with satisfaction of the acceptance of their mediation by the allied states and point out to them that before the discussion of the terms of peace is begun, it is for the powers to formulate their views as to the plans of negotiations to be adopted.

"The great powers are of the opinion that they should be as follows: (1) The frontier of the Ottoman empire in Europe shall start at Enos, and, following the course of the Maritza and then that of the Eugene, shall end at Midia.

"All territories situated to the west of this line shall be ceded by Turkey to the allied states, with the exception of Albania, the delineation of which shall be fixed by the powers. (2) The question of the Aegean Islands shall be settled by the powers. (3) Turkey shall abandon all claim to Crete.

"(4) The powers cannot favorably entertain the demand for indemnity, but they will admit the allies to participate in the discussion of the international Commission in Paris for an equitable settlement of their participation in the Ottoman debt and in the financial charges of the districts to be handed over to them."

Turkey is to be asked to take part in the labors of this commission.

**Austria Threatens Montenegro.**  
LONDON, March 24.—Russia has advised Montenegro to accede to Austria's demand to allow the civil population of Scutari to leave the city unhindered, according to dispatches here. The advice followed the receipt at Cetinje of a thinly veiled Austrian ultimatum announcing that the latter government will take coercive measures unless her demand is complied with immediately. It is confident that Montenegro will accede and Austria has sent a steamer to Scutari to remove Austrian subjects. Italy has also demanded that civilians be permitted to leave, but made no threats.

# MAY LEAVE CONGRESS FOR U. S. JUDGESHIP

WASHINGTON, March 24.—The federal judgeship in California, left vacant by the death of Judge DeHaven, may very soon be filled by the appointment of Representative John E. Raker of Modoc county. This is the opinion of Californians in the capital. Raker is on good terms with Secretary of the Interior Lane, whose advice as to this vacancy will be taken by the attorney general and the president. Raker's determination to become federal judge is said to be waiving since some of his friends have urged that he become a candidate next year to succeed Senator Perkins.

# BEEF PACKERS MAY GO EAST

CHICAGO, March 24.—That Armour & Co. have contracted to spend \$2,000,000 for a waterfront site for a packing house in Jersey City, N. J., was announced on Sunday. It is reported that Swift & Co. Morris and the Cudahys are to buy sites also. The belief that the tariff on beef is to be removed is said to be the actuating cause for this departure on the part of the beef packing houses.

# LONG TUNNEL PLANNED

VANCOUVER, B. C., March 24.—J. G. Sullivan, chief engineer of Canadian Pacific railroad western lines, said recently that tenders were being called to close April 15, for a tunnel 28,000 feet long to cut through the Rogers Pass hill.

# OPPOSES NAME OF PONTIAC

DETROIT, March 24.—Sandwich, cut, town council is against calling the locality by the name of Pontiac, which was selected by the United States Steel Corporation for the new steel city. The protest of the Sandwich council will go to Dr. J. O. Reame and Oliver J. Wilcox, representatives of the legislature and House of Commons, and also to the postmaster general for Canada.

# FULLERTON IS TO HAVE SEWER SYSTEM

FULLERTON, March 24.—Contract for installing the city sewer system for Fullerton has been awarded by the city trustees to R. C. Lowell of Monrovia. The contract price is \$46,000. The trustees appointed a committee to confer with the officers of the Domestic Water Company and if possible to come to an agreement for the purchase by the city of the plant. The committee includes Trustees Walton, Stern and Gregory and they are instructed to close the deal with the water company if terms satisfactory to the committee can be arranged. Resolutions indorsing this action by the trustees have been adopted by the Fullerton Chamber of Commerce.

# UNCLE SAM WANTS SECOND LIEUTENANTS

Do you want a position in the United States Marine Corps? Uncle Sam wants fourteen young men to become second lieutenants at a salary of \$1700 per annum with some very desirable perquisites attached. To secure these officers the Navy Department has directed the convening of boards of officers on Monday, July 14, in various cities where marine corps recruiting offices are located, including one at 423 1/2 South Spring street, Los Angeles. These boards of officers will on that date conduct competitive examinations of men between the ages of 21 and 27 years for the purpose of filling the fourteen vacancies.
